

*“Building lifelong relationships...  
one member at a time.”*

Hello, my name is Jim Barbarich, Chief Executive Officer from Members Choice Financial Credit Union, with an update on our service delivery plan. As a vaccine rollout shifts from those valued healthcare and front-line workers, we are evaluating our service delivery options. Recommendations from health and governmental officials will dictate the timetable, with everybody’s safety in mind. Tentatively, We are looking to resume full lobby service on Monday, March 1, 2021.

What can you do to help? Schedule a vaccine and become part of the solution. The longer the virus stays unchecked, the more variants will develop. So, let’s all take the pledge to get vaccinated, wear our masks, and wash our hands as a sign of respect for each other.

For more information, you can reach out to our website or our Facebook, or you can always call.

Thanks for being an important part of Members Choice and Our success. Stay Safe.
