

# *Introduction To* **Financial Literacy**

**“Financial Literacy  
is just as important  
in life as the  
other basics.”**

**-John W. Rogers, Jr.**

***“People Helping People”***

**Together, our members and staff have built something very special – a local, community-oriented, innovative credit union committed to finding new products and services generation after generation.**

## Our purpose and mission:

MC Federal Credit Union is a not-for-profit, member owned financial organization established to provide the best possible financial services to our Members. We are committed to providing our Members with valuable information to improve their financial well-being. Our philosophy of "People Helping People" has been the cornerstone of MC Federal for over 50 years. It is our honor, and privilege, to present the Introduction to Financial Literacy course. Our hope and vision is to provide an ongoing program of educational literacy classes that will improve the financial health of the Members and communities in which we serve.

## ***Introduction to Financial Literacy***

The MC Federal Financial Literacy program is a series of classes focused on teaching basic economic empowerment skills and financial knowledge to serve as a road map to financial well-being.

Class topics and discussion will center on understanding accounts and fees, loan rates, budgeting, credit reports, fraud and identity protection. Subjects may be added or removed based upon attendee needs.

Please provide your contact information on the previous page to reserve a space in an upcoming session. This application may be mailed or dropped off at any of our branch locations. You will be contacted by one of our financial specialists with information on class availability in your area.

## ***Course Outline - Financial Basics***

---

Class 1: Accounts and Fees

Class 2: Budgeting

Class 3: Comparing Rates

Class 4: Credit Cards vs. Debit Cards

Class 5: Credit Report and Credit Score
