#### ***“People Helping People”***

Together, our members and staff have built something very special — a local, community-oriented, innovative credit union committed to finding new products and services generation after generation.

## Our purpose and mission:

MC Federal Credit Union is a not-for-profit, member owned financial organization established to provide the best possible financial services to our members. We are committed to providing our members with valuable information to improve their financial well-being. Our philosophy of "People Helping People" has been the cornerstone of MC Federal for over 50 years. It is our honor, and privilege, to present the our financial literacy program, **The Road to Financial Wellness**. Our hope and vision is to provide an ongoing program of financial literacy classes that will improve the financial health of the members and communities in which we serve.

## The Road to Financial Wellness

The MC Federal Financial Literacy program, **The Road to Financial Wellness**, is a series of classes focused on teaching basic economic empowerment skills and financial knowledge to serve as a road map to financial well-being.

Class topics and discussion will center on understanding accounts and fees, loan rates, budgeting, credit reports, fraud, and identity protection. Subjects may be added or removed based upon attendee needs.

Please provide your contact information on the next page to reserve a space in an upcoming session. This interest form may be mailed or dropped off at any of our branch locations. You will be contacted by one of our financial literacy specialists with information on class availability in your area.

This project is funded by a grant from the CrossState Credit Union Foundation.
